FOREWORD

We, the Class of 1957, have chosen "Wonderland" as the theme of our Hamiltonian.

We do not intend it to be a copy of Walt Disney's "Disneyland," but a portrayal of our lives at H. H. S. Our aim is to create a yearbook that will be representative, not only of our lives now, but of those in the past and future.

Although this book will grow old with us, let us hope that each page will bring back many memories of the happy years we have spent at H. H. S.

Douglas A. Chandler
SUPERINTENDENT

We, the Class of 1957, proudly dedicate our yearbook to Mr. Douglas A. Chandler, who, by his years of faithful service to Hamilton High School, has added greatly to our formative years.

Peter M. Goffin
P R I N C I P A L

It is easy enough to be pleasant,
When life flows by like a song,
But the man worth while is the one who will smile,
When everything goes dead wrong.
For the test of the heart is trouble,
And it always comes with the years,
And the smile that is worth the praise of the earth,
Is the smile that shines through tears.

On a hill far away stood an old rugged cross,
The emblem of suffering and shame;
And I love that old cross
 where the dearest and best
For a world of lost sinners was slain.
So I'll cherish the old rugged cross
Till my trophies at last I lay down;
I will cling to the old rugged cross,
And exchange it someday for a crown.

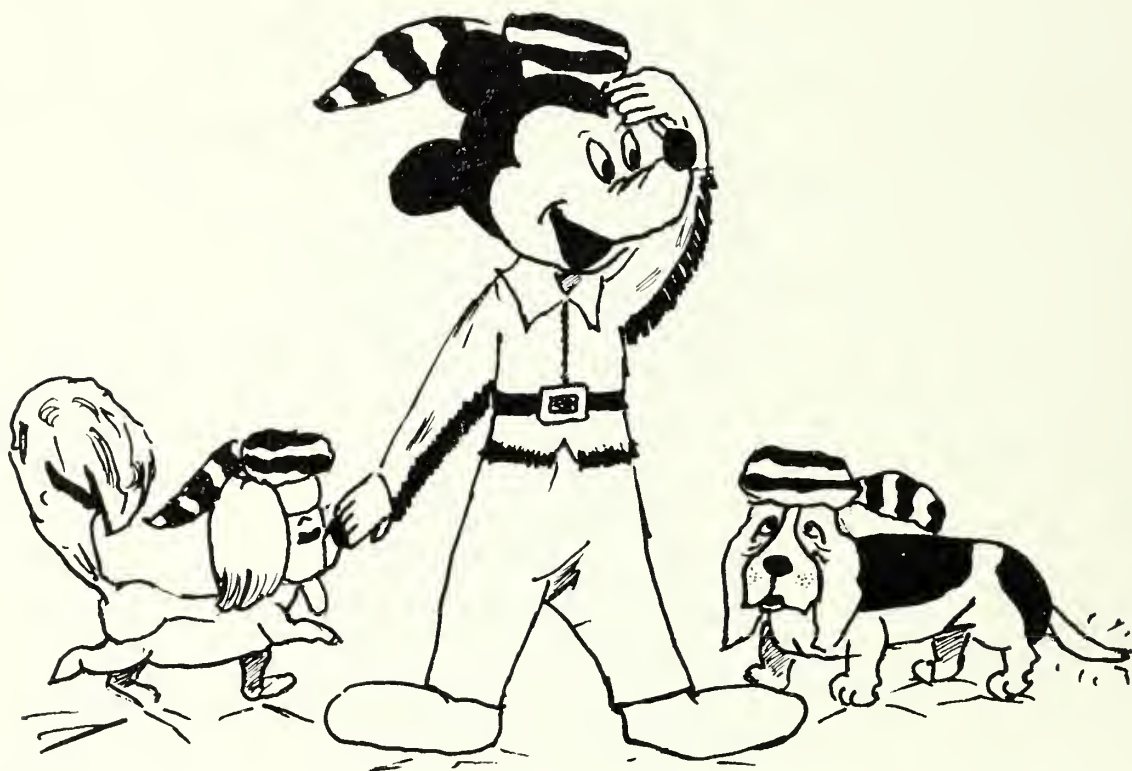

In Memoriam

The class of 1957 respectfully dedicates
this page to the memory of

Roderick Lee Vermyn

Our former classmate who was deceased
in 1951. We deeply regret his passing
and sorrow that he could not have shared
these wonderful years with us. Although
he will not participate in our graduation
in body, we know that he will be with
us in spirit.

The Student Council was organized in 1954 with three major purposes in mind: to promote student participation in school government, to establish better student-teacher relations, and to provide more social activities and to co-ordinate the activities of the student body.

Membership in the Student Council goes automatically to the presidents of all classes from grades 7-12. Grades 8-12 elect one boy and one girl to represent them in addition. This gives the school a Council of sixteen members. It is the desire of the Council to draw from the student body to fill up committees whenever possible and thus give as large a number of students as possible a chance to participate in Council activities.

To have one's name on the honor roll is a distinct achievement. It is of even greater significance when the honor roll student is also active in extra-curricular activities. One of the real goals of any school is to develop a well-rounded person.

Third Row: Mary Ann Dolliver, Carolyn Bryant, Carolyn Coe, Paula Mycue, Lynne Perkins, Elizabeth Davis, Sara Jane O'Hara, Beverly Henderson, Ruth Davis.

Absent when picture was taken: Carole Bigney, Sally Ramsdell, Carolyn Gagnon, Mary DiFrancesco, Frances Caley, Caroline Newbegin.

The Dramatic Club was restricted to meetings and one assembly in April when Patriot's Day was observed. Songs of American History were introduced and sung by the whole assembly. Members of the Dramatic Club then presented excerpts from Herman Hagedon's "The Bomb That Fell On America."

The Dramatic Club also presented readings at the Veteran's Day and Christmas assemblies.

Model Building Club

First Row: William Walsh, Warren Gray, Edward Fielding, Merritt Hopping, Theodore Ramsdell, Robert Crowell.
Second Row: Paul Patenaude, Richard Pickering, Advisor: Mr. William Howat, Richard Allen, Arnold Wentworth.

The Model Building Club was formed this year to give students an opportunity to learn about model building and to develop a hobby interest as a better use of leisure time. Much interest has been shown in jet propelled cars, with many original designs being developed by the students. These cars, propelled by CO₂ cartridges are capable of travelling at high speeds and offer an opportunity to study modern techniques of jet designing.

A variety of models were built, including sailboats, power boats, trains, and airplanes.

Covered Wagon Staff

Left to Right: Barbara Nickerson, Priscilla Deans, Advisor: Mr. Carl Martini, Dorothy Caley, Judith Crowley, Cynthia Ranger, Martin Caverly.

The Covered Wagon, in its third year of publication, is the infant of the H.H.S. program. In a short time this periodical has grown in stature and sales. The Covered Wagon began as a non-profit winter project for the Varsity Club but has since become a year-round newspaper that has brought in a great deal of revenue for the Varsity Club.

This student newspaper is published monthly on the last Friday of the month and contains editorials, humor, in-season sports digests, calendar of events to come, and personal notes of interest. The staff and the school take great pride in the fact that no single instance of gossip has been printed or intended.

Good Luck to the Covered Wagon -- may you continue to grow in character and circulation.

Varsity Club

First Row: Cynthia Ranger, Barbara Nickerson, Martin Caverly, Ann Saunders, Elliott Millett, Judith Crowley, Judith Clarke, Kristin Lundgren, Evelyn Purdy.

Second Row: Advisor: Mr. Carl Martini, Vivian Minter, Judith Deans, Solveig Johnson, Richard Cochrane, Charles Collins, Lawrence Lowry, William Chute, Priscilla Deans, Dorothy Coe, Dorothy Caley, Janet Smerage.

Third Row: Richard Dixon, Ernest Liporto, John Ashton, Fred Caldwell, Robert Little, Richard Johnson, Michael Pratt.

The Varsity Club has had a very successful year, financially, as well as socially. The club sponsored a Variety Show in November in which members of all classes participated. It was a huge success, and the profit was used to pay for the cheerleaders' new uniforms. As usual the club was in charge of the sale of cokes and doughnuts at all the home football and basketball games. In February a food sale was held to raise money for the many trophies and letters awarded at the Final Assembly. As its final event of the year the Varsity Club held its annual picnic in June at Crane's Beach in Ipswich. A wonderful time was had by everyone, and the members all agree that the club does much to further the interest in school sports.

Band

First Row: Thomas Pulsifer, Sandra Clock, Joyce Mason, Joan Pelkey, Elizabeth Dawe, Dean Pineles, Robert Crosby, George Perkins, Gordon Lamson, Robert Mersereau, Sandra Graham, Robert Widdowson, Alan Liporto.

Second Row: Bonnie Higgins, Marie Boisvert, Donald Liporto, Michael Pond, William MacKenzie, Gerald Love, Richard Hatfield, Thomas Wetson, Robert Pulsifer, Paul Thibodeau, Barry Higgins.

Third Row: Douglas Surpitski, Advisor: Mr. Robert Ziegner, Ernest Liporto, Scott Greeley, Alan MacRae, Mary Contestabile, Frank Wetherbee, Richard Pulsifer, James Mortimer, Philip Piotrowski, George Dawe, Gary Woods.

The Hamilton School Band was organized in February, 1956. At that time there were two groups, the Elementary Band and the High School Band. Each group consisted of a clarinet section, a trumpet section, trombones, saxophones, and a French horn. A snare drum and a base drum have since been added, and cymbals have been used from time to time. During the year the band gave one concert and played at the last football game of the season.

The Band gave a concert in March. It also played in the Memorial Day Parade.

Glee Club

First Row: Janet Pesce, Judith Tibbetts, Wendy Lougee, Joanne Johnson, Patricia Rollins, Edna Eskelson, Helen Mansfield, June Seaver, Jeanne Bullerwell, Betty Birch.
 Second Row: Advisor: Miss Ruth Austen, Carol Peek, Anne Brindle, Judith Deans, Arlene Lightbody, Nancy Caverly, Vivian Minter, Diane Martel, Susan Slade, Dorothy Coe, Nelda Tree.
 Third Row: Kathleen Little, Pauline Trepanier, Henrietta Tinkham, Patricia Carlsen, Judith Clarke, Georgette Agganis, Louise Tremblay, Linda Imhoff.
 Absent when picture was taken: Karen Johnson, Carolyn Chesley, Lois Doucette, Sally Faulkner, Ellen Townsend, Carole Dean, Dorothy Liscomb, Donna Pray.

The Hamilton High Glee Club has added another year to its string of successful ones. The year began with a performance at the Thanksgiving Day assembly. In April the members appeared as guests at the P.T.A. As usual the chorus took part in the Candlelight and Commencement exercises, adding much to the beauty of the services. The chorus was fortunate in having Judith Clarke, '57, as accompanist.

Driver Education

First Row: Barbara Delaney, Edith Woodberry, Adrienne Young, Joyce Wood, Janice Wood, Carole Jones, Antoinette Vallone, Donna Gauthier, Barbara Nickerson.
Second Row: Linda Hopping, Richard Dixon, Richard Contestabile, Evelyn Purdy, Lawrence Lowry, John Miller, Advisor: Mr. Raymond Wallace.
Absent when picture was taken: Walter Mansfield.

Our training car, an Oldsmobile Golden Rocket 88, has once again been made available by Mr. Hepperle. We are indeed fortunate to have such a fine car in which to learn to drive.

Driver Education Certificates are issued upon recommendation to those students who satisfactorily complete at least 20 hours of classroom instruction, at least 6 hours of actual driving instruction, another 6 hours of observation in the training car, and who obtain a Massachusetts driving license. The course is primarily for those who have not yet learned to drive and who will be 16 years old before January of the current school year.

Future Teachers Of America

First Row: Barbara Nickerson, Ann Saunders, Advisor: Miss Priscilla McKay, Nancy Garland, Dorothy Coe.

Second Row: Barbara Canniff, Geraldine Vaux, Georgette Agganis, Priscilla Deans, Carol Cameron.

Third Row: Sara Jane O'Hara, Paula Mycue, Arlene Lightbody, Ellen McCann, Lynne Perkins.

The Hamilton Future Teachers of America Club was organized during this past school year. The club is open to all students who are interested in the teaching profession.

The purpose of the F. T. A. club is explorator, prevocational, and character-forming -- to help future teachers learn facts about and opportunities in teaching in their locality, the state, and in the nation; cultivate character qualities essential to a good teacher; and develop student leadership.

The F. T. A. program is an evolving one. Our club has not grown to full effectiveness this year, but by careful planning and consistent work we hope to make each year better than the one before.

ADVENTURELAND

Junior Varsity

First Row: James DeAngelis, Paul Patenaude, William Chute, Robert Crowell.
Second Row: Michael Pratt, Nelson Lent, Richard Contestabile, Coach: Mr. Natale Federico, Neal Jermyn, Scott Greeley, Lawrence Lowry, Richard Dixon.

The Hamilton J.V.'s, even though they didn't enjoy a very successful season this year, showed that in the next few years the Generals are going to be a hard team to beat. They won two games out of ten which is very good for a "green" team that had no experienced players. Next year, however, Coach Federico promises a productive season from both squads.

As for the players themselves, the forwards, Bob Crowell, Paul Patenaude, and Jim DeAngelis, will be sparking future teams for Hamilton. They did a fine job in front court. Equally commendable are the centers, Neal Jermyn and Scott Greeley. Neal was the high-point man of the team even though he was only able to play in six games. As guards, Nelson Lent, Richard Contestabile, Richard Dixon, and Mike Pratt did a terrific job getting the ball down the court and also did their share of scoring. Credit also goes to Billy Chute who was a reliable sub this year.

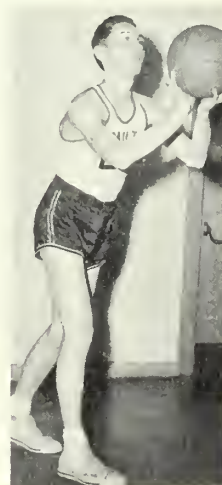

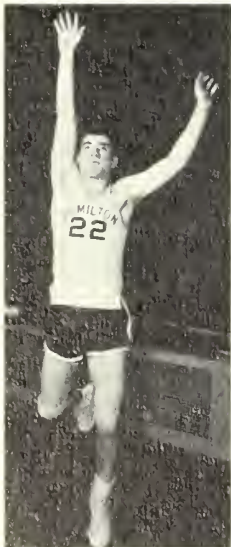

Varsity Basketball

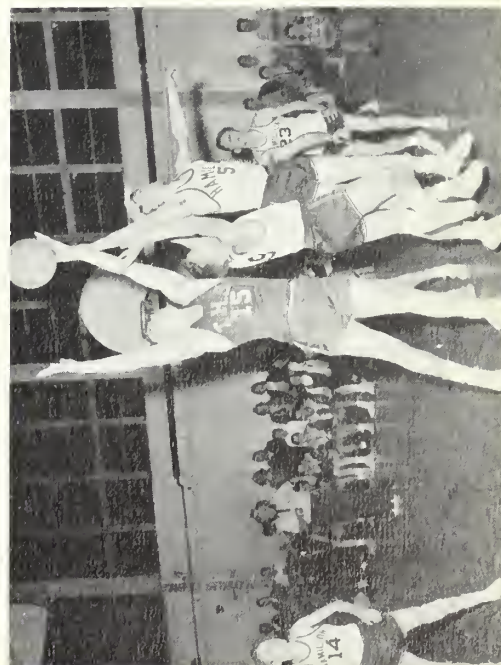

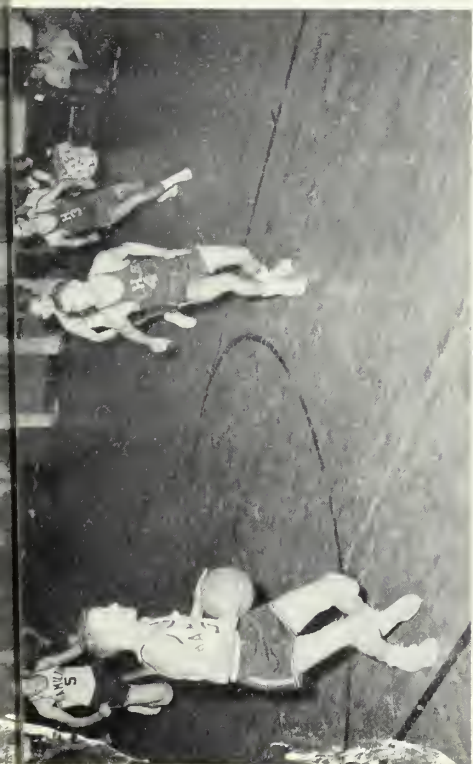

First Row: Robert Sheppard, Elliott Millett, Bruce MacCurrach, Frank Stevens, Coach: Mr. Natale Federico, Fred Caldwell, Brian Lombard, Martin Caverly, Allan Woods.

With an inexperienced team, Hamilton's chances in the Cape Ann title race weren't too hopeful. There were only two experienced players returning this year, and the Generals were further plagued by their lack of height and their "greenness."

Even though they didn't win too many games, the Generals fought hard and did a good job with what they had. The highest point of the season was reached when they overcame a strong Essex team on the home court.

Varsity Basketball

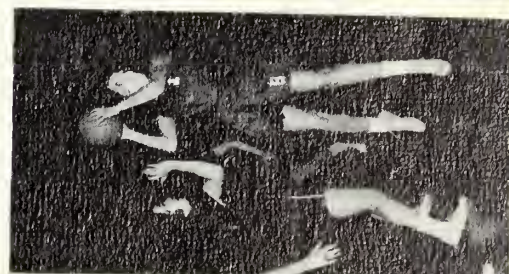

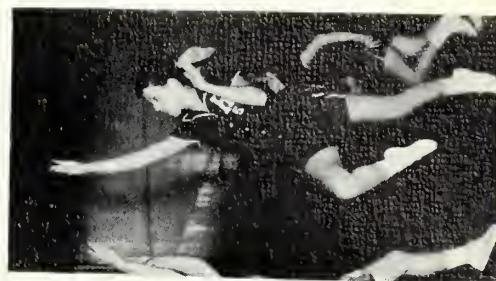

Left to Right: Karen Johnson, Candy Clarke, Nancy Garland, Georgette Agganis, Evelyn Purdy, Carolyn Chesley, Carol Cameron, Barbara Nickerson, Donna Gauthier, Dorothy Caley.
Absent when picture was taken: Kathy Little, Gail Patenaude.

This season's varsity squad was composed of several veteran senior players with a few new members from the lower grades. The girls started the year with a victory over the alumnae squad, most of whom played with them last year. The team played six other games, and although they weren't victorious, they showed excellent teamwork.

High scorer for the year was Dorothy Caley whose natural eye for the basket made her a great asset to the team. Aided by other members she scored 70 points for the season. Second to her with 51 points was Candy Clarke who worked with Dolly as a defensive forward. These two girls, with the help of their teammates, helped to save the H.H.S. squad from being defeated too ignominiously.

As guards, Barbara Nickerson, Donna Gauthier, and Georgette Agganis succeeded in playing an excellent game and were of valuable aid to the forwards. Evelyn Purdy promises to be an outstanding forward next year.

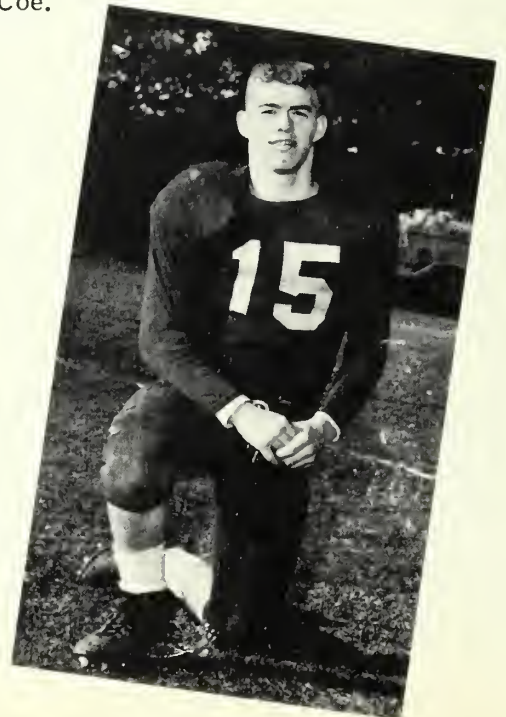

Football

First Row: Charles Collins, Allan MacCurrach, Elliott Millett, Richard Cochrane, John Ashton.
Second Row: Manager: William Chute, Richard Dixon, Brian Lombard, Fred Caldwell, Robert Little,
Michael Pratt, Manager: Martin Caverly.
Third Row: James DeAngelis, Coach: Mr. Carl Martini, William Coe.

This year's spirited but inexperienced squad compiled a record of two wins, one tie, and four losses. Only two veterans were represented on the team.

The spirit of this year's team, plus the anticipated veterans on next year's team, should produce more victories in 1957.

A black and white photograph of a football game, tilted at an angle. It shows several players in action on a field, with a crowd visible in the background.

HIGH LIGHTS

Baseball

First Row: Brian Lombard, William Coe, Noah Tremblay, Paul Patenaude.
 Second Row: Robert Crowell, Richard Cochrane, Fred Caldwell, Charles Collins, Paul Brumby, Richard Dixon, Elliott Millett, Lawrence Lowry, Neal Jermyn.
 Third Row: Advisor: Mr. Carl Martini, John Hurd, Frank Stevens, James Richards, John Miller, Richard Contestabile, John Ashton, Richard Johnson, Bruce MacCurrach.
 Fourth Row: Henry Clay, William Chute, Barkley Tree, Raymond Foster, Michael Pratt, Robert Sheppard, James DeAngelis, Peter Kilhouley.
 Absent when picture was taken: Steve Sargent.

Fifty percent of this year's baseball team was made up of veteran players. The underlings came up with good backgrounds and plenty of promise for next season. The hopes of the team centered on pitcher, Fred Caldwell, and catcher, Elliott Millett. Most of the practice time was spent batting and hitting in order to strengthen the offense. In spite of their "greenness", the boys made a very good showing and made us proud of them as usual.

Cheering Squad

First Row: Head Cheerleader: Janet Smerage, Priscilla Deans.
Second Row: Judith Crowley, Dorothy Coe, Cynthia Ranger, Ann Saunders.
Third Row: Vivian Minter, Kristin Lundgren.

Calling all cheerleaders! Calling all cheerleaders! Practice today! Uniform fittings after school! Game tomorrow! -- This was the cry from September to February. Amidst their afternoons of practice and fittings for new uniforms, the girls were kept very busy.

The new uniforms are a Kelly green corduroy -- jumper style with a princess waistline. Each member of the squad bought a white varsity sweater for football season.

On March 19, 1957, the annual Football Banquet was held at the Community House. Each member of the cheering squad was presented a gold megaphone charm.

Many of our girls are graduating in June, but we will have Judy Crowley and Judith Deans, who was substitute this year, back with us to lead the squad.

Junior Varsity

Left to Right: Paula Mycue, Roberta Hayes, Patricia MacDonald, Sara Jane O'Hara, Barbara Canniff,
Manager: Gail Patenaude, Dorothy Liscomb, Carole Dean, Nelda Tree, Helen Mansfield.

Because of the lack of experience, the Junior Varsity team played only two games this year. Although they were not victorious the girls showed that they could really play a good and exciting game. Many promise to be outstanding players in the future. It is hoped that there will be more games for the girls to play next year that they may prove their talents.

SEEN AROUND SCHOOL

TOMORROW

LAND

TIME: December 31, 1967
PLACE: Radio Station WHHS, New York

Tonight we are bringing you a broadcast of the grand opening of Artie MacCurrach's Exclusive Night Club where all his friends from the Class of 1957 have come to talk over old times. This is John Hurd, America's Number One Disc Jockey doing the broadcast, and Pria Deans, wife of the golf pro, assisting him.

John: Oh, here comes Pat Foster. Pat is now a millionaire since oil was found on Flying Horse Farm where she and her husband, Dick Cochrane, live.

Pria: Here's Dottie Appleton. I sure envy her living in Florida, but I wouldn't want her job of training alligators.

John: Alan Sanders should be here tonight. I hear he's back from Africa where he was taking pictures of wild animals for Walt Disney. He brought back a supply of palm trees for the night club.

Pria: Did you see the program for tonight? All the talent is from our old class. Donnie Tree, who is going to entertain us, is the new Fats Domino of this generation. Then there is Anne Brindle who sings at local night spots to earn money to put her husband through college.

John: Oh, I didn't think he'd make it, but here comes Eddie Hopping. He must have taken time off from making up book reports for Miss McKay. It's a wonder she let him out. I guess I spoke too soon. Look who his chaperon is, none other than Miss McKay.

Pria: Alas, what is this that my eyes behold.
Here comes our Junior Prom Queen, Cynthia
Ranger, riding high and stately on a huge camel.
She has been traveling for six days from Egypt
where she left her husband, Dick (?).

John: Isn't that Dolly Caley coming in? Dolly
is owner and manager of Hamilton's new chew-
ing gum factory.

Pria: It's too bad Candy Clarke won't be able
to make it, but I just saw her chauffeur, Bob
Nielsen, taking her to Carnegie Hall where she
is going to make her dramatic debut tonight.

John: Isn't that Eugene Mansfield, author of the
famous novel "My Thirty Days With Dr. Fu-Man
Chu," coming in with some of his Marine buddies?
Eugene is really traveling these days. I wonder
how he manages to stay awake.

Pria: I saw Sandy Clock the other day and she
told me she wouldn't be able to come tonight
because she has extra work to do for Mrs. Berg-
man. She has been her assistant since high school.
She also told me that Janet Smerage still goes
to cheering practice and is continually making
rules for the cheerleaders.

John: Did you know that Elliott Millett has come
all the way from UCLA in California where he is
the girls' physical education instructor there?
Leave it to Elliott to be surrounded by females.

Pria: Ann Saunders will arrive late because
she is still in Hamilton collecting ads to pay
for our yearbook we had when we were seniors.

John: I hear Richard Stillings is now a Justice
of the Peace who recently married Kris Lundgren
and Harley Knox of Manchester. Pete Stevens
served as best man. They are all coming to-
gether to celebrate.

Pria: Isn't that Marty Caverly and his wife, the
former Barb Nickerson, arriving in Marty's
Cadillac? Marty owns the hospital where Barb
is working on a new medicine for floorburns for
girls who play basketball. She certainly had
plenty of experience with floorburns, especially
in the game she played against Rockport.

John: Pria, isn't that your old girl friend, Gerry Vaux, with her husband sitting across from us? I understand Gerry has a job as a newspaper reporter in which she has a special column known as "Advice to the Lovelorn."

Pria: I see Karen Johnson is here with her husband, too. He is the publisher of her latest book, "Tales of a Sunday School Teacher."

John: Look, there's Honey Johnson all dressed in green and white. She must be the new cigarette girl at Artie's club. Pria, isn't she wearing her old cheering uniform? Her husband is sitting in the corner over there keeping an eye on her... he needs to...

Pria: John, did you see Dottie Coe come in? She is now the President of a private girls' school and is talking over the good old days when she was working at McIntyres.

John: Steve Sargent will be here later tonight because he is the cop on duty at the Community House on Friday nights, checking on the youngsters and the park area.

Pria: Over to our left is sitting Janice Wood, now a nurse, and her husband, Dr. Slaughter of Swift and Company.

John: Look who is last, but not least on the program, it's Mrs. Larry Frost, the former Donna Gauthier. I found out that she is a torch singer in her spare time.

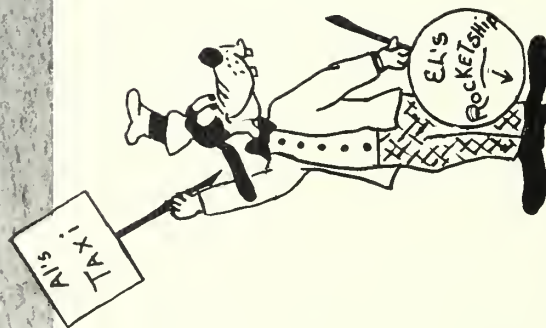

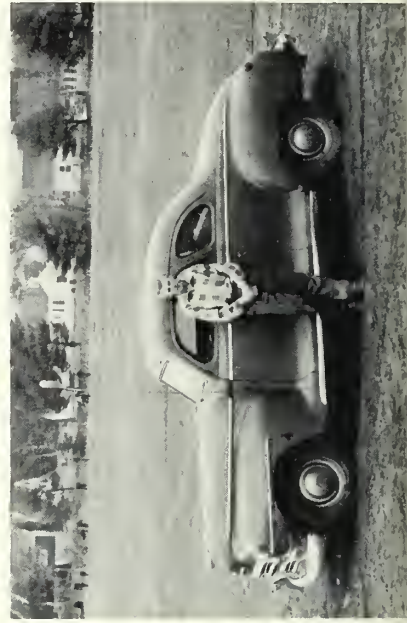

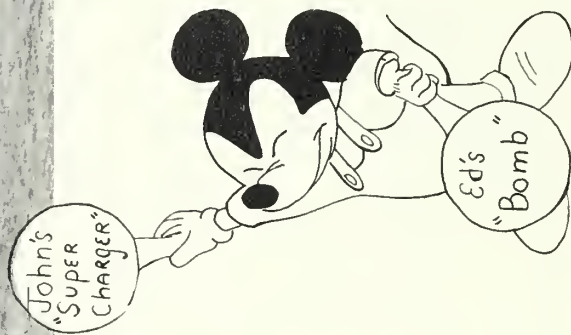

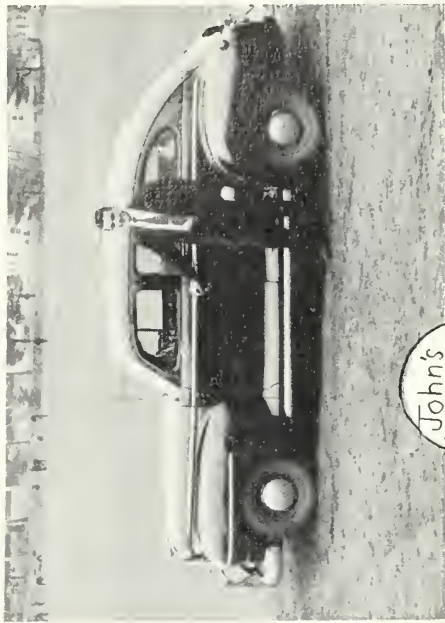

Pria: There's Carole Jones. She seems to be looking for something or someone. You know she is now an interpreter for the F.B.I. and is in search of the whereabouts of Joyce Wood and Edie Woodberry. It seems that Joyce is a Practical Nurse and has left town hoping to find someone on whom she can demonstrate her professional ability, preferably a millionaire. Edie Woodberry, who is not quite so shy as she used to be, is in the nursing profession also. Edie has been helping to revive several of our old teachers who had relapses after the Class of 1957 left Hamilton High School.

John: Well, Pria, the show is about to begin. I guess we had better get our cameras organized to take pictures of this fabulous group of people. I hope in another ten years we can all meet again for a second reunion with the Class of 1957.

A black and white illustration on a dark background. In the upper left, there is a classical building with a pediment and several columns. In the center, a large, stylized bow is drawn with a string. The bow's loops and tails are shaded with fine lines to give it a three-dimensional appearance. In the upper right, there are two stylized clouds, also rendered with fine lines. The entire illustration is framed by a thin white border.
